

Open call for artists from India

Hampi Art Labs announces the Open Call of their Artist Residency open to artists from India at Hampi Art Labs, Vijayanagar, Hampi.

Residency Dates: 8th July - 28th September 2024

Deadline: 20th March 2024

About the Hampi Art Labs residency:

Hampi Art Labs is an arts center located near the UNESCO World Heritage Site Hampi in the South of India. It opened in February 2024. Set across 18 acres of landscape, the center offers artists unique production facilities, an environment to creatively retreat in and galleries for world-class display. The site comprises exhibition spaces, studios and apartments for residencies, gardens, and a café.

5 artists will be chosen across disciplines and offered on-site accommodation in an idyllic countryside setting replete with state-of-the-art studios and workshops for printmaking, stone and metal sculpture, ceramics and AV studio.

Vijayanagar is in the heart of the heritage jewel of Hampi. The region is richly replete with local craft culture and legacy. Artists can imbibe and learn from the region's distinctive traditions and techniques here. The artists-in-residence will have the opportunity to interact with and immerse themselves in the local cultural context while, in return, promoting and imparting knowledge on contemporary artistic practices. The artists will also be invited to conduct workshops for the local schools or communities.

Following the successful completion of the residency, the artists will be invited to showcase the works they created during this time as part of an Open Studio at the center.

For more information, visit our website: www.hampiartlabs.com or on social media @hampiartlabs, @artindiamagazine

The residency includes:

- Roundtrip domestic airfare up to INR 30,000/-
- A studio for three months in Vijayanagar

<https://forms.gle/U5HmBm6LnC4A7XJ19>

In case of any queries or assistance, please reach out to **info@hampiartlabs.com**

Selection & criteria:

The Selection Committee is composed of the Hampi Art Labs Team and distinguished external art professionals. It ensures a fair representation between artistic media and practices, genders and indigenous peoples, and aims to be inclusive of diverse cultures.

Selection criteria are based on the artistic quality of the work of applicants, the relevance of their project in the context of the space, local surroundings, theme and the potential impact of the residency on their career.
